• BREEDING • RACING • RECOVERY • HEALTHCARE

ANIMAL NUTRITIONISTS & VETERINARY SUPPLIERS

Osmonds have now been supplying effective pigeon health products for well over 25 years. Established in 1854, **Osmonds** has over 170 years of experience in the field of animal health and in producing quality products that can be relied upon to provide outstanding results.

This Season we have improved **Aviboost** by adding more Amino Acids to the formula to boost your racing results even further.

Enviroboost continues to be the fancier's favourite, **Osmonds'** best-selling product for all round healthand performance, helping keep birds free from disease and bacteria.

We're an **'Old Hand'** when it comes to pigeons. Alongside our specially developed range, **Osmonds** have owned **Old Hand Pigeon Supplies** since 2009 and continue to manufacture the extremely popular range of tried, tested and trusted products, including **Fortified Calcium Concentrate** (The heart of Golden Boost) **White Sesqui**, **Sour Crop** and **One-Eyed Cold** tablets alongside the ever-popular range of **Old Hand** Pigeon books.

We have also enjoyed you sharing your success stories after using our newer products such as **Young Bird Colostro-Boost**, **Power & Endurance Pro & B-Sorb** and **Gut-Rite Bio-Probiotic Supplement** - to help assist a healthy & functioning digestive system in pigeons.

Don't just take our word for it read some of our amazing customer reviews on the product pages and online.

Osmonds continue to distribute through Corn / Agricultural Merchants and Pigeon companies, these can be found on our website **www.osmonds.co.uk/stockists**, but should you not have a stockist in your area, please feel free to contact us directly or order online at **www.osmonds.co.uk**

Join the ever growing list of winners now using **Osmonds** products to revolutionise their pigeons' performance and health. Start using **Osmonds** supplements today and you too can experience fantastic results when racing, breeding, rearing and showing.

If you have any questions regarding the **Osmonds Pigeon Range** please contact us, we are always happy to assist.

GUT-RITE BIO-PROBIOTIC SUPPLEMENT

An effective proven bio-probiotic to assist in a healthy & functioning digestive system of avian species such as pigeons & poultry.

- Assists in introducing good bacteria to the gut for optimal function, while inhibiting the growth of bad bacteria that can cause colibacillosis & salmonellosis, strengthening the bird's immunity. The addition of electrolytes works to enhance & speed up recovery while regulating the pigeon's natural metabolism.
- Gut-Rite also helps restore the beneficial microbial intestinal balance during and after antibiotic treatment, worming etc.
- Ideal for racing pigeons to aid post-race recovery.

CONTAINS

Vetoxan – to help maintain healthy digestive tract bacteria.
Electrolytes – to aid effective recovery.
Diamond V Yeast – helps optimise the efficiency and functionality of digestive microbes.

SIZES AVAILABLE

250g
500g
750g
1.5kg

FEEDING INSTRUCTIONS

Ensure all equipment is fully sterilised before use.
Pigeons / Poultry: *Feed 10-20g per 1kg feed after moistening with seed oil, depending on the severity of digestive upset.*
In general: *10g per 1kg feed.*
After treatments: *20g per 1 kg feed.*
Racing season: *For 2 days after racing.*
Moult & breeding: *2 times a week.*
Young pigeons: *2 days before and 2 days after training and race day.*

What our customers say about Gut-Rite:

"First time using this product already seen an improvement in my birds"
– **Brian W**

ESSENTIAL FOR BIRDS RECOVERING FROM ILLNESS

AVIAN B-SORB

Liquid B Vitamin Complex with Iron and Folic Acid.

Important source of B Vitamins for young birds, breeding, and racing birds.

- Rapidly absorbed into the bloodstream to maximise energy.
- Contains Vitamin B6, Vitamin B12, Iron & Folic Acid.
- Helps improve performance, promote appetite and a healthy nervous & digestive system.
- Assists stimulation of vitality and fertility and in the formation of red blood cells for growth and healthy development of young birds.
- Essential for birds recovering from illness.

When racing – Use 10ml per litre of clean drinking water 48 hours prior to racing, then allow 12-24 hours of fresh clean water prior to strenuous exercise.

SIZES AVAILABLE
250ml
500ml
1 litre
5 litre

What our customers say about Avian B-Sorb:

"Since using B sorb the pigeons appetite has increased allowing them to load up more carbs before basketing."
– **Steve H**

POWER & ENDURANCE PRO

An all-natural amino acid packed supplement with vitamins, trace elements and minerals to help optimise stamina, endurance and performance.

- Assists optimum muscle growth and performance thus helping improve endurance and stamina.
- Promotes a sustained and slow release energy supply.
- The inclusion of a mix of specific herbs helps detoxity the liver and optimise efficient post race recovery.

Feed 10ml in the feed or clean drinking water daily.

SIZES AVAILABLE
500ml
1 litre
2.5 litre

What our customers say about Power & Endurance Pro:

"This product has helped to muscle up the birds prior to basketing and to put on weight quicker after the race."
– **David W**

FOR STAMINA & PERFORMANCE

FOR OPTIMUM GROWTH & PERFORMANCE

YOUNG BIRD COLOSTRO-BOOST

A specifically formulated Colostrum, Calcium and Vitamin Supplement to boost optimum growth and development of young birds and help protect from sickness and bacterial challenges.

- Assists in supporting the immune system alongside delivering a wide range of vitamins & minerals to assist growth and development.
- Contains premium colostrum to help maintain defences in young birds.
- Contains Calcium to ensure good levels for skeletal growth.
- Contains Nucleotides for optimum growth & performance.

Feed 10g per 1kg corn for 7 days before hatching and 14 days after hatching.

Can also be fed for a further 14-28 days after hatching.

SIZES AVAILABLE
250g
500g
1kg

What our customers say about Young Bird Colostro-Boost:

"I've used this product all through the young bird season. I have had no sickness or health problems with the young birds." – **E Lloyd**

"Found this product very good and would use again" – **Beryl L**

What our customers say about Ulti-Max:

★★★★★ **"The birds are looking amazing on it.**
I've used this product for a couple of years now and it is second to none." – **Pete C**

ULTI-MAX

A complete combination of Vitamins, Minerals, Trace Elements and Amino Acids, Hard & Soft Grits, Yeast, Seaweed, Conditioning Seeds and Omega Oils all flavoured with Aniseed.

THE MIGHTY MIX OF ULTI-MAX

CONTAINS THE FOLLOWING:

- **SEAWEED** – All-natural source of nutrients.
- **MICRONISED LINSEED** – High in health giving Omega 3, 6 and 9 fatty acids.
- **DRIED HERBS** – Assists digestion to provide optimum feed utilisation. Helps maintain general condition & growth.
- **NUTRIMIN** – Mycotoxin and ammonia binder.
- **ANISEED** – for flavouring.
- **GRITS** – Flint, limestone, Cockleshells, Red stone, Oystershell and Charcoal.
- **YEAST** – Supports health & performance at all stages. Helps support a well-balanced immune system and improved intestinal function.
- **CONDITIONING OIL SEEDS** – Red Dari, Safflower, Sudanese / Indian White Dari, Mixed Millet, Hempseed, Brown Linseed, Black Rapeseed & Mung Beans.

Offer a small amount to the birds in a clean pot. Mix well before feeding. Always ensure fresh drinking water is available.
