www.osmonds.co.uk

With a rich heritage dating back to 1854, Osmonds has established itself as a leading manufacturer and supplier of premium animal health products, dedicated to the well-being of livestock & animals for over 160 years. Among our time-tested offerings, our bestselling Alpaca Colostrum Supplement continues to be the first choice for many breeders, ensuring Cria receive the very best start in life.

We are pleased to introduce a new addition to our range – Osmonds Calming Paste!

An all-natural formula with Tryptophan Amino Acid, to promote Serotonin for stress management and Magnesium to aid absorption & induce a natural calming effect, ideal for shows & traveling.

We invite you to explore our comprehensive brochure, which showcases Osmonds' full range of premium quality products for Alpacas & Llamas.

Should you have any queries or require further information about the Osmonds Alpaca & Llama range, please do not hesitate to contact us.

INSTA-LIFE

Instant energy & nutritional supplement for the new born / weak Cria
A fast acting and easy to administer liquid energy feed for Cria at birth.

- Fast acting and phased energy source.
- Emulsified Vitamins for rapid absorption.
- Boosts the Cria's intake of Colostrum derived immunoproteins and micro nutrients to help resistance to disease factors.
- Contains Vetoxan – Bio-Probiotic to aid gut function.

FEEDING INSTRUCTIONS

Shake well before use, place the nozzle towards the back of the tongue and feed 4ml of Insta-Life (2 pumps) as soon as possible after birth. Repeat if and when necessary.
