# Digestive

Essential products for dogs suffering with digestive disturbance.  
Suitable for long term conditions, stomach sensitivity and occasional upsets.

**What our customers say:**

*"This product has helped my elderly springer for more than 2 and a half years she has been on it. I first discovered Digestor at Devon County in 2019 while looking for a solution to my dogs pooping. She is now nearly 16 and a half and poops are never a problem, she still has spring in her step. A small sprinkle on her 2 meals a day."*

– James B

OUR  
TOP SELLING

BIO-PROBIOTIC  
PASTE, PERFECT  
FOR PROBLEM  
TUMMIES

# General

Discover a wide range of products to keep your dogs in optimum condition. Help aching joints, pigmentation, promote coat growth and provide overall solutions to supplement your dog's diet.

## CALMING PASTE

Introducing Osmonds Calming Paste for Dogs – a cutting-edge, all-natural formula designed to help your dog remain calm and relaxed during moments of anxiety and distress. Whether it's travel, vet visits or loud noises, our unique blend of ingredients works to help naturally ease stress and restore your dog's sense of calm.

- **Magnesium:** Known for enhancing the absorption of essential Vitamins and Minerals while promoting a soothing, calming effect.
- **Chamomile:** Renowned for its ability to reduce symptoms of anxiety and promote relaxation.
- **Tryptophan:** This essential Amino Acid boosts serotonin production, helping manage stress and support your dog's emotional balance.

Feed initially at a time when the dog is calm.

The following day feed 60-90 mins before the event / activity that requires calm / before stress trigger.

Feed once per day.

**NEW!**

# KENNEL CLEAN

Heavy duty detergent sanitiser with excellent cleaning powers.

- Powerful pre-cleaner to kill bacteria. For use in animal housing.
- Quickly, safely and efficiently removes soil, and faecal matter prior to terminal disinfection.
- For use on concrete, kitchen floors, kennel runs, grass etc.
- Can be used safely in the presence of animals and humans in the correct dilution.

## INSTRUCTIONS FOR USE

Dilute 50-100ml of Kennel Clean to 10 litres of clean water dependent on the severity of the soiling. Apply with a sprayer, mop and bucket or pressure washer. Can be left for up to 10 minutes before washing or hosing off.

## SIZES AVAILABLE

500ml  
1 litre  
5 litre

**What our customers say:**

*"Does what is says which is exactly what I needed"* – Delyth F

**CUTS  
THROUGH DIRT  
AND SANITISES**

# DE-ODOUR

Powerful de-odouriser helps eliminate smells!

- General purpose deodorant product.
- Can be used inside and out to help control odours in kennels, catteries, homes, waste areas etc.
- Can be used for spraying into the atmosphere to dispose of offensive odours, for washing down surfaces and for direct application to odour producing debris.
- De-Odour has grease-cutting and detergent properties which assist its deodorant action.

## INSTRUCTIONS FOR USE

Dilute one part of de-odour with between 100 and 1000 parts water. i.e. 1ml – 10ml to 1 litre water. Select the exact dilution most effective against the malodours to be controlled. For washing dog blankets / bedding pour 100ml into the washing machine softener drawer.

Looking for a wider range of canine products, visit our sister company petcetera etc now!

Now is the perfect time to switch to natural, enzyme-powered pet care.

## Why Choose Bac to Nature?

- Because natural works – Bac to Nature products contain a unique blend of natural enzymes and beneficial bacteria which naturally remove odours and staining at the source.
- Our enzyme-powered formulas don't mask problems – they solve them.
- Safe, effective and environmentally responsible pet care.

## The Natural Way to Care for Your Pets & Home

### ODOUR ELIMINATOR

Keep your home fresh the natural way!  
A powerful yet gentle enzymatic cleaner designed specifically for pet households. breaking down stains & smells at source rather than masking them.

### BITCH SPRAY

Helps deter unwanted attention from male dogs by neutralising scent signals at the source. Naturally breaks down the compounds that cause the dog's attraction to a bitch in season.

### PET ODOUR & STAIN REMOVER

Natural enzymatic skin and coat treatment that removes stubborn stains and odours at the source whilst supporting healthy skin. Especially ideal for white and light-coloured pets.

### TEAR STAIN REMOVER

Effective yet gentle tear stain remover that gently breaks down build-up and organic materials responsible for tear staining around the eyes to reduce discolouration and keep the area bright & clean.
